

MINISTRY OF HIGHER EDUCATION AND SCIENTIFIC RESEARCH
ORAN 1 AHMED BEN BELLA UNIVERSITY

INSTITUTE OF APPLIED SCIENCES AND TECHNICS ISTA

IN COLLABORATION WITH

LABORATORY OF THIN FILMS PHYSICS AND
MATERIALS OF FOR ELECTRONICS LPCMME

ORGANIZE THE

1st NATIONAL CONFERENCE ON METROLOGY

ORAN, NOVEMBRE, 20TH 2025

THE STEERING COMMITTEE

Chairman
Co-Chairman

Pr. ILES Nadia
Pr. KAIL Fatiha

Members :

Dr. ABDELKRIM Soumia, Mr. BELAKEHALE Djamel
Mrs. BELMABROUK Bouchera, Mrs. BELOUADI
Sarrah Dr. BOUBEKEUR Djamila, Dr. CHAIB
Mohammed, Dr. DAHO Nour El Houda, Dr. DEHANE
Amine, Dr. DJOUMI Siham, Dr. GUERNAZI Daoud,
Dr. GOURBI Abdelkader, Mrs. HADJ KADDOUR
Nedjma, Dr. KHELFI Najia

TARGET AUDIENCE

Permanent researchers, teacher-researchers,
doctoral students, engineers from the national
industrial sector, specialists in legal metrology.

Goals of the conference

- Present the latest advances in terms of applied metrology to the field of fundamental research.
- Make known the metrological standards in the laboratory and the status of the metrologist.
- Create networks between the university and local industries.
- Provide added value in terms of good practices in metrology
- Provide information about standardisation and accreditations, ...

Important dates

Abstract submission Before September 15th 2025

Notification of acceptance : September 30th 2025

Conference day : November 20th 2025

Conference topics

- ☐ Metrology in the research laboratory: Characterization and physico-chemical tests, optics and precision mechanics, instrumentation, ...
- ☐ Research in fundamental metrology : measurement statistics, measurement protocol, metrology standards, ...
- ☐ Metrology in industry: implementation of metrological processes in production lines, product quality tests...
- ☐ Legal métrology : National and international metrology organizations
